ear socks & sneakers to school on the day of physical education class. Slip-on shoes do not provide stability during movement and allow the foot to slide around during vigorous activity, which is unsafe for your child. Sandals, boots, clogs, dress shoes, flip-flops, jellies, hiking shoes, crocs, heelys, and high-heeled platform sneakers are not acceptable for the climbing and running your child will be doing. **Any student who reports to physical education class wearing unsafe footwear will NOT be allowed to participate.** Also, any student who reports *three times* without wearing sneakers will receive a detention.

Today, your child:

- Forgot to wear his/her sneakers to class.
- Wore shoes that are not safe for physical activity.

Please remind your child to wear sneakers on the following days:

M T W TH F

Thank you for your assistance in keeping your child safe for physical education class by reminding his/her to wear sneakers on physical education days.

If you have any questions, feel free to call me at (269) 321-1537.
